---

Mike,

For the WWTP's that have major and minor damage, can you give me a brief description of the damage and then also confirm if the damage has been repaired or not? You can just type the information in the email if that is easier for you. I've listed the facilities below.

Blue ridge  
MUD 55  
MUD 162  
MUD 182  
Foster Brisco  
MUD 365  
WCID 89  
Memorial MUD  
North Territory  
Nottingham Country  
Sienna Plantation 2  
Sienna Plantation 3  
Sienna Plantation 4  
Willow Point.

Thanks again for your help,

Nichole Young  
Environmental Scientist

Nichole,

I have completed the spreadsheet according to all the current knowledge I have on our facilities. You can follow up with me if you have any questions or wish to know the future status of these systems.

Thanks,

Michael Thornhill
